## Opportunities for Postdoctoral Researcher Fellowship at National Taiwan University (NTU) in AMRG

### Research Direction

**Optimization of soluble lead flow battery for grid-scale applications**

### Qualification

Applicants are required to have a PhD in physics, chemistry, or engineering related disciplines. Candidate with experience in battery development, materials characterization, or electrochemical analysis is preferred.

### Position Benefit

1-year contract with the possibility of 2-year extension with the starting salary of \$58,350 NTD (current Ministry of Science & Technology, Taiwan standard).

### Application

Interested applicants should send the following: (i) a cover letter containing a brief summary of their prior work, research interests, and career plans, (ii) curriculum vitae, and (iii) the names and contact information for three professional references to Hsun-Yi Chen, PhD at [hsunyichen@ntu.edu.tw](mailto:hsunyichen@ntu.edu.tw).
